

# The ABCs of IEPs

Informational Seminar

**Thursday, April 19, 2018 / 6 p.m.— 8 p.m.**

CPARC - GB Stuart Center, Conference Room 1A

71 Ashland Avenue, Carlisle, PA 17013

## Session Info

Learn the basics of Individualized Education Plans (IEPs), including:

- Basic parts of an IEP in simple language
- What you should bring to the meeting
- Forms to help you organize your child's file
- Basic tips for a successful IEP meeting
- How to effectively address problems and concerns about your child's IEP

## THE PRESENTER

Holly Turner is a Special Education Advocate at The Arc of Cumberland & Perry Counties (CPARC). A graduate of Millersville University, Holly formally taught special education for more than 20 years in PA and NJ, teaching Itinerant Learning Support and Life Skills classes.

Holly is a mother of four. Her eldest child has an intellectual disability diagnosis. Holly's dual perspective as a parent and as a former educator has enabled her to provide well-balanced insight and information to others.

*\*There is no cost for this session, but registration is required.*

*Space is limited; first come, first served.*

*The courtesy of a cancellation is requested at least 24 hours in advance, if possible.*
